

AAAPC Subcommittee Report for AGM**Date:** 17th August 2023

Subcommittee	Early Career Researcher subcommittee
Name of group lead/chair	Jessica Botfield
Activities and achievements over last 12 months	<ul style="list-style-type: none"> • Seven new subcommittee members since August 2022, bringing total to 12 members. • Bi-monthly subcommittee meetings held over last 12 months, with good attendance. • Held webinar in November 2022 on “Must knows for academics: journal peer review and editorial processes” – lots of interest and high attendance, with 117 registered and 36 attendees. • Conducted annual FACES survey in late 2022; response rate low (11 participants) but feedback useful to inform activities for 2023. Will aim to run survey again in late 2023. • Changed name of “FACES” group to “AAAPC Early- and Mid-Career Academic (EMCA) Network” to better reflect the purpose and scope of the group • Created dedicated EMCA webpage and noticeboard on AAAPC website. • Plans for 2023-24 EMCA mentoring program nearly finalised; aiming to launch at AAAPC annual conference.
Please highlight future plans and/or issues of concerns	<ul style="list-style-type: none"> • EMCA mentoring program 2023-24 • ECR webinar – late 2023 • Annual EMCA Network survey – late 2023
